

THE CPS WEEK GUIDE TO PITTSBURGH

NEIGHBORHOODS NOT TO MISS

CPS Week Venue and Surroundings

The Cyber Physical Systems (CPS) Week local organizing committee would like to welcome you to Pittsburgh! Pittsburgh has many attractions to offer. Recently, the Huffington Post has praised Pittsburgh as “a modern mecca of culture and education, and a hidden gem.” We hope you enjoy your stay.

CPS Week is hosted at the **David L. Lawrence Convention Center** (DLCC), located in downtown Pittsburgh and with easy access by bus, train or driving.

DLCC Surroundings

The DLCC is in Pittsburgh’s Cultural District, with a host of activities just a few steps away: theatres, cinemas, galleries, restaurants, sporting venues, shopping and hotels.

Within 30 minutes’ walk from the DLCC, major highlights are the **Senator John Heinz History Center** (CPS Week banquet location), **The Andy Warhol Museum**, the **Carnegie Science Center** and the **Mattress Factory Museum of Contemporary Art**, the **Children’s Museum of Pittsburgh** and the **National Aviary**.

To the east of the DLCC, you can find the **Strip District**, an eclectic blend of open air markets, coffee houses and nightclubs (see side column).

The DLCC is also at the heart of the **Three Rivers Heritage Trail**, a 21-mile (about 34 Km) multi-use riverfront trail system with segments on both banks of Pittsburgh’s three rivers. The trail system offers scenic views over the city and is a great place to walk, run or bike.

Another attraction not to miss, accessible by public transportation (Pittsburgh is one of the testing grounds for Uber’s autonomous vehicles fleet), is **Mount Washington**, which features privileged views over the city. **The Duquesne Incline** provides access to a viewpoint at the top of Mt. Washington.
